#### Jean Rohe

"A sure-footed young singer-songwriter," in the words of *The New York Times*, Jean Rohe writes one-of-a-kind narrative songs, concerned as much with the internal world as with the external. She is perhaps best known for "National Anthem: Arise! Arise!", her aspirational alternative national anthem, which has been performed by artists across the country and published in the second edition of the popular songbook *Rise Up Singing*. Her most recent record, *Jean Rohe & the End of the World Show*, won three Independent Music Awards in 2014, and her next, *Sisterly*, will be a collection of songs about connections and destruction. She tours regularly with Liam Robinson as the duo Robinson & Rohe, which released its debut record, *Hunger*, in August.

#### David Roth

David Roth returns to the PVC after many years and multiple appearances here in the 1980's when he lived in Manhattan. Since then his songs have found their way to Carnegie Hall, the United Nations, several Chicken Soup for the Soul books, the Kennedy Center, NASA's Space Shuttle *Atlantis*, Peter, Paul, & Mary and Kingston Trio CDs, (and 14 of his own), four Positive Music Awards, the *Rise Up Singing* and *Rise Again* songbooks, and countless venues around the world for three decades.

#### Gathering Sparks

You will come to listen, and walk away singing. Gathering Sparks is the graceful collision of Eve Goldberg and Jane Lewis, musical friends who blend tight harmonies, finely crafted songs, and a love of participatory singing to create an intimate and uplifting experience. Their inclusive approach embraces folk, pop, blues and gospel influences tastefully played on acoustic guitar, piano, accordion, and ukulele. Their debut six-song CD was nominated for a 2014 Canadian Folk Music Award for Vocal Group of the Year, and they have become an audience favorite at concert series and festivals across Canada. They are currently recording their first full-length CD.

#### Walkabout Clearwater Chorus

The Walkabout Chorus was created by Pete Seeger to bring the environmental message of the Hudson River Sloop Clearwater inland where the boat can't sail. For more than a quarter century the chorus has been performing songs about the environment, peace, and justice – keeping the old songs alive and teaching new ones – and always encouraging audiences to sing along. Walkabout has performed throughout the east coast and internationally and appears on Pete Seeger's Grammy-winning CD, *Pete Seeger at 89* and in *Peter Yarrow's Singalong Special* on PBS.
